Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In response to the Office Action dated November 2, 2001, please amend the above-identified patent application as follows:

In the Claims:

Please amend the claims as follows. The amended claims with markings to show the changes made are provided in Appendix I. All of the currently pending claims including any amendments requested herein are reproduced in Appendix II.

Subpart B

19. (Amended) An apparatus for transmitting data in a network between first and second single-line digital subscriber line (SDSL) modems using a standard high data rate digital subscriber line (HDSL) frame format, the frame format including at least one field in each data payload block for implementing a feature relating to one of T1 and E1 transmission protocols,
